XB300 - AIR CONDITIONER BENEFITS & SPECIAL PRICING

EFFICIENT PERFORMANCE

Offering one-third the refrigerant charge, the XB300 allows for easy installation. It also features Manual Charge Assist™, a Trane exclusive that helps ensure the most accurate refrigerant charge at installation.

ECONOMICAL USE OF SPACE

With a smaller footprint it allows for easy installation when space is at a premium.

- Maximum foot print is only 29" X 29" X 28.5" (5 ton)
- Climatuff® compressor
- All aluminum Climatuff® coil
- WeatherGuard™ fasteners
- Glossy corrosion resistant finish
- Lighter, compact design
- Manual Charge Assist™
